

Cytrio for Google Customers

Cytrio is an all-in-one data privacy platform that enables businesses to comply with global data privacy regulations by providing comprehensive consent management, policy and data subject rights management solutions.

Value Proposition

www.cytrio.com

Why should customers choose Cytrio

- Global Privacy Regulations Compliance — Ensures compliance with GDPR, CCPA, and other global data protection laws.
- Granular Consent Management — Allows users to customize and manage their cookie preferences.
- Auto-blocking of cookies depending on opt-in/opt-out banners
- Compatibility with Google Consent Mode v2 — Supports latest global standards for data privacy and optimized ad performance.
- Automated Cookie Discovery & Categorization — Regularly scans and updates cookie list/declaration for compliance.
- Consent Logging — Keeps detailed records of user consents for auditing purposes.
- Seamless Integration — Quick and seamless integration of consent banner into CMSes and websites.
- Customizable Designs — Tailor consent banners to match the website's branding.
- DSAR management & workflows
- Customer Reviews — **4.7/5** <https://www.g2.com/products/cytrio/>
