

## Enzuzo for Google Customers

[Customers](#) tell us that Enzuzo is the most user friendly, competitively priced product they have tried, with great support. They love to get up and running quickly and pay as they grow without breaking the bank. If you decide to choose us, we would love to delight you with a smooth implementation, help you meet all your compliance needs, help you understand how consent management can impact your site performance and funnel conversion, and help you optimize any revenue impact.

### Value Proposition

Website: [www.enzuzo.com](http://www.enzuzo.com)

#### Why should customers choose Enzuzo

- **Effortless Cookie Consent Management:** Customize brand-aligned cookie banners that comply with Google Consent Mode and global regulations like GDPR, CCPA, Law 25, IAB-TCF and more, ensuring user control over privacy preferences.
- **Comprehensive Consent Dashboard:** Easily track, manage, and store consent records, simplifying compliance audits and avoiding regulatory fines. A plug-and-play system that automatically scans and categorizes cookies, preventing tedious manual work.
- **Easy on Your Pocket:** Enzuzo's advanced features such as sub-domain consent, global privacy control, and API access, are priced very competitively with the market. Get [started](#) on our free forever plan.
- **Friendly UX, No training needed:** Enzuzo is self serve, no special expertise is needed. You can get [started](#) without creating an account.
- **Advanced performance and conversion tools:** Enzuzo offers a very unique set of advanced tools to make sure consent management is not slowing down your site and that your funnel conversion and revenue is not negatively impacted. Our customers tell us we are uniquely good at this.

**Languages supported:** Over 25+ languages with auto-translated features (list [here](#))

**Compatible With:** All CMS and no code website builders  
**Easy Integration:** Shopify, Webflow, and more.

**Platforms Supported:**

Web  
(incl. Mobile)
